

## Fund Request

A fund request can be submitted by any student in Grades 6-12 who has participated in a Youth Group fundraising event during the 2011-2012 calendar year. All student's participation in fundraisers are recorded and filed in the Youth Pastor's office and will be referred to when awarding requests. Please use the Fund Request Eligibility Scale below as a basic guideline when requesting funds for your student. Please note that the scale below states the eligibility of your student to request the following funds and should be used as a basic guideline and that the amount of funds raised in a year may require us to adjust the amount of funds granted to Students.

All Fund requests are confidential and must be approved & awarded by the Youth Steering Committee.

## Scholarship Request

Scholarships are available to any student in Grades 6-12 for any FCC Youth Event. The purpose of the Scholarship fund is to provide opportunities for a student to attend an event that they may otherwise not be able to afford. A onetime scholarship may be awarded to a student who has not participated in any Fundraising events for the 2011-2012 calendar year at the Youth Steering Committee's discretion, after which the student is required to participate in future fundraising events in order to have the privilege of receiving financial assistance in the future.

The FCC youth Ministry understands that families who have multiple students involved in the Youth ministry at the same time may require assistance beyond the additional funds granted to their students from fundraising and encourage these families to apply for additional scholarship funds.

All Scholarship requests are confidential and must be approved & awarded by the Youth Steering Committee.
